

# Digital Signage

43" & 55" 4K Economy Displays

## Budget-friendly Commercial Grade 4K Monitors

### 4K Displays

The 4K Ultra HD displays in 43" and 55" deliver incredible image quality with resolution four times higher than Full HD.

These budget-friendly screens are optimised for both near and far viewing distances, the display allows your content to take centre stage for all your visual communication.

### Attach Devices

Connecting external devices like a PC or media player to the monitor is easy. Attach your source by the HDMI input or the VGA and 3.5mm audio jack inputs.

## Why choose our commercial display solutions?

### On-site Support & Maintenance

If needed, we can provide an installation service for any of our products. We can also set up service-level agreements for larger projects that require maintenance contracts.

### Advanced Replacement to Avoid Downtime

Should your display suffer from any kind of hardware failure during the warranty period we will send you an advanced replacement and arrange for your old display to be collected, free of charge. This ensures no downtime where you are without a screen.

### Extras

As well as being able to provide accessories and add-ons, such as extra remote controls, NUC PCs and video wall controllers, we can also supply custom made flight cases which are great if a display needs to be moved safely from place to place.

### Optional Extended 5 Year Commercial Warranty

All of our commercial display products come with a 3-year commercial warranty as standard but if you want to extend this you can upgrade this to cover a 5-year period at point of purchase\*.

### Remote CMS Training Sessions

As well as providing free remote CMS training sessions and webinars we can also visit you to deliver bespoke training for our signage software and hardware\*.

### Customisation

Your display can be customised to suit your requirements by adding your logo or printed graphics or even tailoring the colour of a display. We can also work with our suppliers to carry out hardware modifications to existing products or manufacture bespoke solutions for special projects.

\*These particular services may incur additional charges
